## Happy New Year!!!

2012 was a really good year for Erie Kennel Club:

The January, 2012 All-Breed Shows were a great success. In case you did not see the recent newspaper article, we placed sixth on the list of best attended events at the Bayfront Convention Center for 2012. You will find a link to the story on our website, <http://eriekennelclub.com>. If you have not yet visited the new web page, you are in for a treat. The site has a great new look and we are continuing to add information, including a new "Members Only" page, which we hope will be available soon. All of our agility trials filled and AKC changes allowed us to add three more. Our social events, Cabin Fever at the Saga Club, the summer picnic, and Christmas Party were well-attended with everyone having a great time. As always, the Eye Clinics provided great service for members and the community. Andrea Bubna has agreed to serve as Hospitality Chair and she has already begun by making our meetings more fun by providing treats for those on the other end of the leash.

The Property Search Committee had a very busy year and met their goal in October, finding an affordable home for us on Wattsburg Road. It is conveniently located just 3 miles south of I-90 in Greene Township with excellent interstate access from the west, east, and south. The Property Development Committee met with the architect December 11 and hopes to have plans to share with the membership in February. Although closing is scheduled for the end of March, we are hopeful that we can close earlier.

I am very pleased with the increased member participation over the past few months. When we join together and share our skills, wonderful things happen for all. 2012 was a good year and I have every expectation that 2013 will be even better.

All the Best,

Carol
