From the President's Desk

"To change a habit, make a conscious decision, then act out the new behavior."
Maxwell Maltz

Whenever someone takes over from a successful leader, the expression is often used that you have big shoes to fill. In my case I think I have big gloves to fill. Carol was a hard and tireless worker who laid great groundwork by being both physically involved as well as in her leadership abilities. I see my new duties as adding to the foundation that has been laid in the areas of building a little more enthusiasm to help maintain our property and buildings, find ways of making the club more profitable and getting as many as possible involved in the club activities. Little can be accomplished by one or two people but if everyone can give a couple hours a month for the benefit of all a lot can happen. I see no need to change any times for the membership or board meetings. I will try to keep meetings as brief and orderly as possible so please make every effort to be on time and be considerate to those who have the floor when speaking. When the call goes out for help whether in the form of labor, joining a committee or working an event, please join in and help know each other better and improve YOUR club. I look forward to working with everyone to see how much we can all accomplish together. Lou

September Agility Trial

Thank you for all the members of EKC that showed up to help at the September agility trial. A special thank you goes out to Charlene Cyphert, Michael and Martha Campbell who are new members and knew nothing about agility. It was great seeing them especially on Sunday when all the excellent exhibitors wanted to leave and go home. This trial was very small but the courses were great and we meet a new and very nice judge.

October Agility Trial

Save these dates: October 17, 18 & 19, 2014....EKC is having another three day agility trial. Please help and volunteer to work. No experience is needed. Contact Marilyn if you can spare sometime for this weekend.

Thanks,
Janet

Paws in the Park

EKC participation for the 2014 Paws in the Park responsible dog ownership day was successful. What a great day for the festival. The EKC booth had lots of interest. EKC member Norma Hiller caught some highlights of the event.

Great fun!

January Show News

An appreciative thank you to all who donated trophies for the 2015 EKC All-Breed/Obedience Trial Shows held at the Bayfront Convention Center in January. Your generosity is a highlight for the exhibitors who have a special memory to take home with them as they celebrate their dog's "sweet success".
