## Sportsmanship Award

After a vote of the members, we were pleased to present the 2014 Outstanding Sportsmanship Award to Bonnie Kotyuk at our July picnic for all the time and talent she has devoted to the club, the agility trials, and the conformation classes; and for her encouragement and support of both newbies and experienced people alike.

### **Building and Grounds:**

There is now a clipboard hanging on a hook near the sign in sheets for those who do any type work so we can keep track of what has been done and by whom. Please use it!

Most importantly, keep the doors locked if you are outside working. Strangers have approached the building at times.

Chuck, Dave and I are working on placing a drain in the front of the building. It is not yet complete. Please use caution when entering and leaving.

There will soon be more parking in the rear of the building. We are having gravel added to the area where the trailers were once parked and also improving the driveway.

Thanks to Dennis and Chuck and whomever else may have helped with the mowing this month. Don't be too bashful to ask if you can help!

Lou

### **Agility trials**

It's Agility time for the EKC. We have 2 trials at Countryside Agility about a month apart. September 26, 27, 28 and October 19, 20, 21, 2014. We always need help in setting bars, chute fluffing, leash running etc. All very easy jobs but very necessary for the trial to run smoothly. If you haven't been to an agility trial, come & check it out. Any member who is active in agility will be able to explain what's going on in the ring.

Please let me know if you can donate time to the club.

Thanks, Janet
