

President's Message~

Just as I predicted in last month's newsletter, the 2016 Erie Kennel Club All Breed and Obedience Dog show was a great success. We had a sufficient number of people for set up and tear down, exhibitors all seemed very pleased, vendors are anxious to return, MB-F did their usual good job and we made a little money. We'll have more specifics at the March meeting. A big thanks to all of you that contributed to this very successful event.

I have been in touch with the electrician for a few weeks about the exterior lighting at the clubhouse. The manufacturer sent him repair parts only to learn there were more issues involved. Consequently the entire units need to be replaced. I'm hoping they are under warranty as he told me since they are very pricey.

On occasion I glance at the work list clip board hanging in the building. I encourage others to take a look also and see what others are doing to keep up with small duties around the building. If you contribute please add your name and the job you did so there is record of it. So thanks to those who take the time to clean the bathrooms and other jobs in the building that keep the club running. And come to the March meeting!
